Monthly Thought: Preparing for the Next Move of God

Hallelujah to the Lamb of God. It is with great joy that I am writing unto you this month as we continue to move forward in the Lord. The body of Christ is presently under attack but the threat can be met, if you know that God has not abandoned you and that He is never without a next move. You personally may be under attack or frequently ambushed by the enemy but know God is not without a next move. The Word from the Lord this month is, "Preparing for the next move of God; are you ready?"

It is in the above text that I see that life among the people of God was absolutely illustrious. It was a reverent awe that rested upon the people of God as they willingly accepted and placed themselves under the authority, guidance and discipline of the Word of God. Many miracles were done through the leaders of the church and the people possessed spiritual unity among themselves. The believers were not selfish or filled with pride but rather generous, clothed with humility, and filled with love. They faithfully presented their bodies unto the Lord holy and acceptable unto Him as their reasonable service (worship). They faithfully and loyally gathered in the temple with one mind which was to glorify (worship) God and encourage one another in the will of God. The mindset and lifestyle of the believers was of continuous praise (worship) to God and as a result God edified them, empowered them, and expanded them not just among themselves but with all the people within their community. The climax of all of this preparation by the believers was a visible manifestation of the next move of the Lord's glory. He sovereignly added to His church daily such as were saved. It is amazing what happens in our midst when we individually and corporately give God what He wants. It is only in Christ we have boldness and access with confidence through faith in Him.

Therefore maintain a firm belief in the coming next move of God because it is sure to happen. Are you preparing for the next move of God? You don't want to miss it! Hallelujah to the Lamb of God!

In His Service,

Pastor Clinton Carr Jr.
